

HOLLYWOOD CASINO ST. LOUIS POKER ROOM SPECIAL HAND JACKPOTS

MADE HAND JACKPOT QUALIFICATION:

Each Four of a Kind, Straight Flush, and Royal Flush will have a jackpot available each day starting at 7:00am for the first player who makes a qualifying hand using both hole cards.

SETS CRACKED JACKPOT QUALIFICATION:

Each card rank will have a jackpot available at 7:00am each day for the first player who makes a set (or full house, or quads) and loses to another pocket pair, subject to the following rules:

- 1) The jackpot winner must play both his hole cards in his best five card hand.
- 2) The winner of the hand must use at least one card from his/her pair.
- 3) For these purposes, a Set is defined as a three-of-a-kind which includes the player's pocket pair.
- 4) Both the winner of the hand and the jackpot winner must have pocket pairs.

GENERAL SPECIAL HAND JACKPOT RULES

Jackpots available in designated bad beat jackpot eligible Texas Hold'em games only, and must meet all eligibility requirements:

- 1) Players may qualify for Made Hand Jackpots any time after the flop; for Sets Cracked, at least two players must reach showdown.
- 2) At least four players must have been dealt cards.
- 3) All qualifying hands must be properly displayed face up on the table at the completion of the hand.
- 4) The players must use their best five card hands for consideration. Any Set or Quads qualifying hand must include a pocket pair.
- 5) All jackpots available to be won each day will be displayed in the Poker Room starting at 7:00am.
- 6) Additional Rules Apply. See official approved rules for details.

At all times, Hollywood Casino will consider the integrity of the game and adherence to these rules their highest priority. The decision of the Poker Supervisor or above is final.

HOLLYWOOD CASINO ST. LOUIS POKER ROOM TEXAS HOLD'EM & OMAHA BAD BEAT JACKPOTS

QUADS CRACKED & OMAHA BAD BEAT JACKPOT QUALIFICATION:

This is paid when a player makes Four of Kind or better and loses, subject to the following rules:

- 1) The winning and losing players must use two cards from their hands. When four of a kind, the player must have a pocket pair (in Hold'em).
- 2) Only the hand winner and the second best hand may be considered.
- 3) Only designated bad beat jackpot eligible games qualify.
- 4) The game must be either Texas Hold'em or Omaha, and meet all eligibility requirements.
- 5) The hands must reach showdown
- 6) At least four players must have been dealt cards.
- 7) At least two players must reach showdown.
- 8) All qualifying hands must be properly displayed face up on the table at the completion of the hand.
- 9) The players must use their best five card hands for consideration.
- 10) Additional rules apply. See official approved rules for full details.

At all times, Hollywood Casino will consider the integrity of the game and adherence to these rules their highest priority. The decision of the Poker Supervisor or above is final.
